

The start of something new

IR 4-Alarm Cicada Tag

Product Name: IR 4-Alarm Cicada Tag

Application: High-security EAS tag designed to protect high-value retail merchandise requiring maximum theft deterrence.

Product Description

The IR 4-Alarm Cicada Tag is an advanced Electronic Article Surveillance (EAS) security tag designed to provide one of the highest levels of protection available for retail merchandise. Combining EAS detection technology with an integrated infrared (IR) alarm system, this tag offers multiple layers of security against tampering and unauthorized removal.

Equipped with an internal sensor, the tag detects interference such as cutting, forced removal, or tampering. If the tag is compromised or if the protected item passes through the EAS detection system without proper removal, the integrated audible alarm activates immediately, providing an additional deterrent against theft.

Key Features

- Four alarm protection for maximum security
- Integrated audible alarm with infrared (IR) functionality
- Tamper detection for cutting or forced removal attempts
- Strong magnetic Super Lock mechanism
- Durable construction for repeated retail use
- Reusable design for long-term cost efficiency
- Compatible with WG IR Super Lock detachers

Installation / Operation

The Cicada Tag attaches securely to merchandise using a standard pin and locking mechanism. If the tag is tampered with, removed improperly, or passes through an EAS detection system without deactivation, the integrated alarm will sound. At checkout, the tag is safely removed using a compatible WG IR Super Lock detacher.

Technical Specifications

- **Alarm Type:** Four alarm protection
- **Technology:** AM (Acousto-Magnetic) with IR alarm system
- **Lock Type:** Super Lock magnetic mechanism
- **Tag Construction:** Durable ABS housing
- **Compatibility:** Standard EAS detection systems and WG IR Super Lock detachers
- **Reuse:** Reusable security tag

Typical Applications

- High-value apparel and fashion accessories
- Luxury retail merchandise
- Department stores and premium retail environments
